现场调查情况	图像影像资料	 A photograph showing two people in full red protective gear, including jackets and pants, standing at a dark wooden desk. They are both wearing respirators with filters and are looking down at a white clipboard or document. The person on the left is holding the clipboard. In the background, there's a blue wall with some vertical markings and a small sign that appears to say '存档区' (Archiving Area). To the right, there's a window and some industrial equipment.
